Report on the Financial Statements

We have audited the accompanying financial statements of Community Action of Southeast Iowa (a nonprofit organization), which comprise the Statement of Financial Position as of September 30, 2020, and the related Statements of Activities and Changes in Net Assets, Functional Expenses, and Cash Flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action of Southeast Iowa as of September 30, 2020, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards and Schedule of Findings and Questioned Costs as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the financial statements. The additional supporting schedules are presented for purposes of additional analysis and are also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Report on Summarized Comparative Information

We have previously audited Community Action of Southeast Iowa's 2019 financial statements, and our report dated January 15, 2020, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 23, 2020, on our consideration of Community Action of Southeast Iowa's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

COMMUNITY ACTION OF SOUTHEAST IOWA

Notes to Financial Statements

September 30, 2020

1. Nature of Business and Organization

Community Action of Southeast Iowa was incorporated under the laws of the state of Iowa and is defined as a community action agency in accordance with Iowa House File 2437 under the 69th General Assembly. The Organization serves the Iowa counties of Des Moines, Henry, Lee, and Louisa.

Community Action of Southeast Iowa is dedicated to alleviating the conditions and causes of poverty by building partnerships and strengthening people through quality services.

Community Action of Southeast Iowa administers programs funded or supported by federal, state, and local government agencies. These programs are operated for the benefit of eligible participants as defined under guidelines issued by the respective granting agencies. The Organization's goal is to provide quality programming for families and individuals in need, assisting them in achieving self-sufficiency, in strengthening families, and in improving their quality of life.

2. Summary of Significant Accounting Policies

The accounting and reporting policies of Community Action of Southeast Iowa conform to accounting principles generally accepted in the United States of America. The following describes the more significant of those policies.

Recently Issued Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842) which requires the recognition of lease assets and lease liabilities on the balance sheet for all lease obligations and disclosures of key information about leasing arrangements. ASU 2016-02 requires the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under previous generally accepted accounting principles. ASU 2016-02 will be effective for the Organization for all annual and interim periods beginning after December 15, 2021, including interim periods within those fiscal years. Management is currently evaluating the potential impact that the adoption of this new accounting guidance will have on its financial statements.

Recently Adopted Accounting Pronouncements

During the year ended September 30, 2020, Community Action of Southeast Iowa adopted ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606). This ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. This ASU also required expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Community Action of Southeast Iowa adopted the new standard effective October 1, 2019, the first day of the organization's fiscal year, using the modified retrospective approach.

The adoption of this new standard resulted in no significant changes to the measurement or recognition of revenue in prior periods.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

The Organization reports information regarding its financial position and activities according to two classes of net assets: those without donor restriction and those with donor restrictions. The Organization records contributions received as revenue without restrictions or with restrictions depending on the existence or nature of any donor restrictions. When a donor purpose restriction is accomplished, restricted net assets are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restriction.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications and Prior Year Summarized Financial Information

Certain reclassifications to the 2019 financial statements have been made to conform to the 2020 presentation. The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2019, from which the summarized information was derived.

Financial Instruments

The carrying amounts of cash, receivables, prepaid expenses, accounts payable, accrued expenses, refundable advances, and other liabilities approximate their fair values due to the short-term maturities of these financial instruments.

The carrying amounts of notes payable and debt issued pursuant to the Organization's bank credit agreements approximate fair value because the interest rates on these financial instruments change with market rates.

Cash

For purposes of the Statement of Cash Flows, the Organization considers all cash in checking and savings accounts and highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Receivables

Receivables comprised primarily of reimbursements from grant award activities are reported at net realizable value. All amounts are considered collectible and accordingly, no provision for bad debts has been recorded.

Inventories

Weatherization inventories are valued at cost, which is determined primarily on the first-in, first-out basis or on the average cost basis.

Property and Equipment

Property and equipment is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which range as follows:

Buildings	20 to 30 Years
Building Improvements	5 to 15 Years
Equipment and Vehicles	5 Years

Property acquired with grant funds are charged to program expenses in accordance with grant budget guidelines and are then capitalized to the property and equipment accounts as capital additions on the Statement of Activities. The Organization follows the policy of capitalizing equipment costing over \$5,000 with a useful life expectancy of over one year.

Long-Lived Assets

Long-lived assets to be held and used are tested for recoverability whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. When required, impairment losses on assets are recognized based upon the fair value of the asset.

Advertising and Promotion Activities

Advertising and promotion costs are expensed as incurred on the Statement of Activities.

Revenue Recognition

Revenue from grant awards or reimbursement type contracts is recorded when expenses are incurred in conducting activities specified in those agreements. Award or contract funds received exceeding program expenses are recorded as refundable advances. Grant award revenues are deemed earned when allowable expenses are incurred, resulting in the revenue being recorded without restrictions.

Service-related revenue is recognized when earned as those services are performed.

Income Taxes

Community Action of Southeast Iowa is a private nonprofit corporation, incorporated under the statutes of the State of Iowa. The Organization is exempt from state and federal income taxes as a nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code, although, it would be liable for income taxes on unrelated business income that exceeded related expenses and deductions. The Organization is not considered a private foundation for income tax reporting purposes.

Cost Allocations and Functional Expenses

The allocations of expenses shown on the Statement of Functional Expenses were made by direct assignment of costs to functional categories where a direct relationship exists. Common expenses have been allocated to separate functional categories through the indirect cost pool described below.

Community Action of Southeast Iowa charges indirect costs to an indirect cost pool, which is distributed to individual programs based upon a rate approved by the U.S. Department of Health and Human Services. This rate is applied to each program's direct wages and benefits as a basis for distribution.

Other common costs are allocated to programs based on usage or occupancy records or other methods, which represent the estimation of benefits received.

In-Kind Donations

In-kind donations for space and professional services have been recorded on the Statement of Activities in accordance with accounting principles generally accepted in the United States of America. In accordance with this, only contributions of services received that create or enhance a non-financial asset or require specialized skill by an individual possessing those skills and would typically need to be purchased, if not provided by donation, be recorded. These requirements differ from the in-kind requirements of several of the Organization's grant awards. Community Action of Southeast Iowa received other in-kind donations during the year valued at \$30,120 primarily for the Head Start and Early Head Start programs, which have not been recorded in the financial statements.

3. Concentration of Credit Risks

Community Action of Southeast Iowa received approximately 95% of its support and revenue from governmental grants and contracts. A significant reduction in the level of government participation would have a major effect on Community Action of Southeast Iowa's program activities.

Bank deposits exceeding the federally insured limits (FDIC) at the year-end date totaled \$332,485. However, the Organization's public deposits are further secured by collateral pledged by the bank and by assessments paid by the bank if collateral is insufficient to cover losses.

4. Functional Classification of Expenses and Principal Programs

The following is a summary of the principal programs and supporting services administered by the Organization and reflected in the Statement of Activities:

Head Start is a comprehensive development program for preschool children, primarily all of whom come from low-income families. The program's goal is to provide activities designed to assist those children with their education and training and to improve their health and well-being. Early Head Start Program provides physical, cognitive, social, and emotional growth of infants and toddlers and strengthens family and community support for children and families.

Shared Vision/At Risk Child Development provides assistance to families with children for day care in each of the counties served. Families of children who are determined to be at risk are eligible through state sponsored programs and are referred by the Iowa Department of Human Services.

The Child and Adult Care Food Program provides assistance for food and nutritional needs of low-income families' children enrolled in head start centers and family day care homes and centers.

Low Income Home Energy Assistance Program (LIHEAP) provides assistance to low-income households in paying their heating costs.

Weatherization Assistance programs provide resources to use in weatherizing homes of qualifying low-income households. Weatherization includes the insulation of homes and minor structural repairs to result in more comfortable living conditions for eligible families.

Special Supplemental Food Program for Women, Infants, and Children (WIC) provides nutritional assistance to low-income women who are pregnant or have an infant or young child.

Family Development Program provides family development services to families currently enrolled in the state's Family Investment Program and are determined to be at risk of long-term welfare dependency.

Empowerment Area grants and contracts provide assistance to children 0-5 and their families, as well as providing childcare services and training for childcare providers.

Community Services Block Grant (CSBG) provides support for outreach and general administrative expenses incurred in carrying out program activities not funded by specific awards or contracts.

As a result, financial assets may not be available for general expenditure within one year. As part of Organization's liquidity management, it follows the policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due. As with any multi-employer plan, the plan's financial results may be affected by other employers entering or withdrawing from the plan, actions by the plan's Board of Trustees, and other events beyond the Organization's control.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Community Action of Southeast Iowa
Burlington, Iowa

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Community Action of Southeast Iowa (a nonprofit organization), which comprise the Statement of Financial Position as of September 30, 2020, and the related Statements of Activities and Changes in Net Assets, Functional Expenses, and Cash Flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 23, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action of Southeast Iowa's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action of Southeast Iowa's internal control. Accordingly, we do not express an opinion on the effectiveness of the Community Action of Southeast Iowa's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action of Southeast Iowa's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND
REPORT ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Community Action of Southeast Iowa
Burlington, Iowa

Report on Compliance for Each Major Federal Program

We have audited Community Action of Southeast Iowa's (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action of Southeast Iowa's major federal programs for the year ended September 30, 2020. Community Action of Southeast Iowa's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action of Southeast Iowa's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action of Southeast Iowa's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action of Southeast Iowa's compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action of Southeast Iowa complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2020.

Report on Internal Control Over Compliance

Management of Community Action of Southeast Iowa is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action of Southeast Iowa's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action of Southeast Iowa's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Community Action of Southeast Iowa under programs of the federal government for the year ended September 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).
