

## PAINT- A- THON WAIVERS

### WAIVER #1

The sponsors of the Fort Madison 2022 Paint- A- Thon (Fort Madison Partners, Kempker's True Value & Rental, Inc, and Southeast Iowa Community Action), and any other sponsor listed, wish to stress the charitable nature of this event and the fact that we are only organizing and not financially benefiting from the event.

We would also like to point out there is always the potential for injury in an event where ladders and other equipment may be used and where many people are working together.

Accordingly, as a condition of volunteering for this project, Fort Madison Partners & Affiliates, Kempker's True Value & Rental, Inc., Southeast Iowa Community Action, any other sponsor listed and the owner(s) of the homes being painted, will not be held liable and you will not sue any of them for any act or failure to act be it negligence or otherwise.

It is understood that should you disregard the waiver and attempt to sue any or all of the sponsor(s) and/ or homeowner(s) you agree to pay the attorney's fee and court costs for the sponsor(s) and homeowner(s) as well as for yourselves.

This waiver is being signed of my own free will, to attest I am 16 years and older, and with full disclosure and understanding of the risks involved. **Due to liability reason, no one under the age of 16 is allowed to participate in this event.**
