21.9(2) *Budget deviations.* Eligible entity expenditures that exceed budgeted cost category amounts will not be disallowed for payment solely because of minor deviations from the budgeted amount. However, any deviation exceeding 10 percent of the budgeted cost category amount shall require a budget amendment to the CSBG contract, with prior approval granted by the division.

21.9(3) *Other amendments.* Requests for community action plan or CSBG contract amendments other than those addressed in subrules 21.9(1) and 21.9(2) shall be considered on a case-by-case basis in conformance with applicable federal and state laws.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

[ARC 6101C, IAB 12/29/21, effective 2/2/22]

421—21.11(216A) Audits and records. Eligible entities shall arrange and pay for an annual audit. Audits shall be performed by a certified public accountant and in accordance with generally accepted auditing standards. Audit procedures shall conform to the 2 CFR Chapter I, Office of Management and Budget Governmentwide Guidance for Grants and Agreements; and Chapter II, Part 200, et al., Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. In addition, the division may request more frequent audits or examinations of financial records of the eligible entity in order to ensure adequate financial controls are in place and operating.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—21.12(216A,PL97-35) Designating eligible entities for unserved areas. If any geographic area of the state is not, or ceases to be, served by a community action agency, and the governor decides to serve such area, the division will adhere to the requirements in Section 676A of the CSBG Act, U.S. Department of Health and Human Services statutory guidance, and other federal and state laws to solicit applications from qualified organizations.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—21.13(216A,PL97-35) Termination and reduction of funding. The division may terminate the designation of or reduce the share of CSBG funds allocated to an eligible entity if the division determines that an eligible entity fails to comply with the terms of an agreement, or the Iowa CSBG State Plan, to provide CSBG services or to meet appropriate standards, goals, and other requirements established by the division, including performance objectives. If the division finds cause to terminate the designation of or reduce the funding of an eligible entity, the division will adhere to the requirements in Section 678C of the CSBG Act, U.S. Department of Health and Human Services statutory guidance, and other federal and state laws, including provisions of notification, technical assistance, corrective action, opportunity for a hearing, and federal review, to initiate proceedings to terminate the designation of or reduce the funding of the eligible entity.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—21.14(216A,PL97-35) Client appeal and hearing. Eligible entities shall adopt a client appeal and hearing procedure to address CSBG client complaints. The procedure shall be used for all clients to file a complaint for the services or benefits provided by the eligible entity and funded solely by the CSBG. The procedure shall also be used when a community action program, co-funded with the eligible entity's CSBG funds, does not have a community action program-specific client appeal and hearing procedure.

[ARC 6101C, IAB 12/29/21, effective 2/2/22]

421—21.15(216A,PL97-35) Further criteria. The Iowa CSBG State Plan and Application and the Iowa CSBG Policies and Procedures Manual are incorporated by reference as part of these rules. If any rule in this chapter conflicts with federal law or rules, federal law or rules shall prevail.

[ARC 6101C, IAB 12/29/21, effective 2/2/22]

These rules are intended to implement Iowa Code chapter 216A and P.L. 97-35.

CSBG PROGRAM REVIEWS (MONITORING)

1801 CSBG ONSITE REVIEWS (MONITORING)

To determine if CAAs are meeting the performance goals, administrative standards, service delivery requirements, federal and state regulations, and other requirements established by the DCAA, the DCAA will conduct a CSBG program operations review and a CSBG organizational standards assessment of each CAA at least once during each three (3) year period (see policy #1805).

To determine if CAAs are meeting the financial management requirements, the IDHR, Central Administration will conduct an annual CSBG fiscal monitoring review (see policy section #1900).

1802 CSBG PROGRAM OPERATIONS REVIEWS

CSBG program operations reviews are to determine if the CAAs are meeting the performance goals, administrative standards, service delivery requirements, and other requirements established by the State of Iowa and the DCAA. Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls) includes CSBG program operations review information.

1803 CSBG ORGANIZATIONAL STANDARDS ASSESSMENTS

CSBG organizational standards assessments are conducted to ensure CAAs have the appropriate capacity to deliver services to low-income people and communities.

Iowa's CSBG State Plan and Application (Section 6: Organizational Standards for Eligible Entities) establishes Iowa's CSBG organizational standards for CAAs, and Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls) includes CSBG organizational standards assessment information.

1804 GUIDING PRINCIPLES

The DCAA conducts its CSBG onsite reviews according to the three (3) CSBG Monitoring Standards: mutual respect, open communication, and joint problem solving.

Mutual Respect: In working with CAA staff and CAA governing board members, the DCAA values and recognizes the unique knowledge, ability, and independence of each person. The DCAA is committed to treating all persons fairly and maintaining credibility by matching actions with words.

Open Communication: Effective communication is key in facilitating good working relationships with partners; and the DCAA is committed to keeping the lines of communication open. The purpose of communication is to assist in developing solutions to problems, to share program improvement ideas, and provide information on new developments in the anti-poverty field. The DCAA will communicate frequently through a variety of tools and media. The DCAA is open to contact and is committed to listening to suggestions, concerns, and to gaining an understanding of local operations and to assist locals in pursuing priorities.

Joint Problem Solving: The DCAA operates under the basic belief that a team approach to problem solving is in the best interest of all parties involved. The DCAA believes that collectively the DCAA and the CAA can arrive at the best solution to any situation. The DCAA wants to promote an environment in which the office and all Community Action partners will be open to change and can work together in exploring options and developing mutually agreeable solutions. The goal is to have CAAs function independently with the DCAA's support in an effort to meet the needs of local communities within the parameters set by legislation.

1805 SCHEDULING CSBG ONSITE REVIEWS

CAAs will receive a CSBG onsite review at least once during each three (3) year period. Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls (Monitoring of Eligible Entities)) includes the DCAA's CSBG onsite review schedule. The schedule identifies the CAA, review type, target date, and the date of the CAA's last full CSBG onsite review.

CSBG onsite reviews will generally be conducted during the last six (6) months of the CSBG program year. The DCAA will contact the CAA Executive Director and the CAA CSBG staff to schedule the CSBG onsite review (see policy #1809).

The DCAA will follow the federal guidance on three (3) year CSBG onsite review scheduling provided in OCS, CSBG Information Memorandum, Transmittal #97.

1806 RE-SCHEDULING CSBG ONSITE REVIEWS

A CAA must notify the DCAA, as soon as possible, when a situation occurs that would require a scheduled CSBG onsite review to be postponed or changed. If this occurs, the DCAA will work with the CAA Executive Director to reschedule the visit.

When a situation occurs that would require the DCAA to postpone or change a scheduled CSBG onsite review, the DCAA will notify the CAA as soon as possible. The DCAA will work with the CAA Executive Director to reschedule the visit.

1807 CSBG PROGRAM OPERATIONS REVIEW INSTRUMENT

During the CSBG onsite review, the DCAA will work with CAA staff to complete the CSBG Program Operations Review instrument (CSBG monitoring instrument). The DCAA's CSBG monitoring instrument, at a minimum, will include questions and procedures for reviewing the following:

- Governing board structure (tripartite)
- CAA by-laws and board materials
- Board governance
 - Board meeting agendas, minutes, and other information
 - Board vacancies and attendance
 - Board manuals
 - Board policies and procedures
- CSBG financial and program reports
- CAA audits and risk assessments
- ROMA system

- Community Action National Performance Indicators (NPIs) data review and verification
- Community Action NPIs targeting and reporting
- CAA policies, procedures, and operations

Desk-Monitoring (Desk-Reviews):

CAA documents and materials that are, or can be made readily available to the DCAA, are necessary for completing the CSBG onsite review, and would not require the DCAA to visit the CAA to inspect, may be reviewed at the DCAA office as part of the CAA's CSBG onsite review. It is the DCAA's discretion to select the CAA documents and materials to desk-review.

1808 CSBG ORGANIZATIONAL STANDARDS ASSESSMENT INSTRUMENT

During the CSBG onsite review, the DCAA will work with CAA staff to complete the CSBG Organizational Standards Assessment instrument. The DCAA's CSBG Organizational Standards Assessment instrument includes the 58 CSBG organizational standards for private, nonprofit CSBG eligible entities, developed by the CSBG Organizational Standards Center of Excellence, guidance, and procedures for assessing a CAA.

Iowa's CAAs are required to meet the 58 CSBG organizational standards for private, nonprofit CSBG eligible entities (CSBG Contract, Special Terms and Conditions, Article 28.1.1). The 58 CSBG organizational standards are listed in policy #2301.

Desk-Monitoring (Desk-Reviews):

CAA documents and materials that are, or can be made readily available to the DCAA, are necessary for completing the CSBG onsite review, and would not require the DCAA to visit the CAA to inspect, may be reviewed at the DCAA office as part of the CAA's CSBG onsite review. It is the DCAA's discretion to select the CAA documents and materials to desk-review.

1809 CSBG ONSITE REVIEW PROCEDURES

The following are the DCAA's procedures for conducting CSBG onsite reviews:

1. The DCAA will contact the CAA Executive Director and the CAA CSBG staff to schedule the CSBG onsite review.
2. At least thirty (30) calendar days prior to the CSBG onsite review, the DCAA will provide the CAA a CSBG onsite review engagement letter, a copy of the CSBG program operations review instrument, a copy of the CSBG organizational standards assessment instrument, a list of data that will be inspected (see policy #2003), and any other information necessary for conducting the review.
3. The DCAA will conduct an exit meeting with the CAA Executive Director, CAA CSBG staff, and/or other appropriate CAA staff once the CSBG onsite review of information has been completed. The DCAA will work with the CAA Executive Director to schedule the exit meeting.

4. CSBG Program Operations Review Report:

No later than sixty (60) calendar days following the CSBG onsite review exit meeting, the DCAA will complete and send the CAA Executive Director and CAA Board President/Chair a review letter/report. If the DCAA does not identify any deficiencies requiring corrective action, a technical assistance plan (TAP), or quality improvement plan (QIP), the review letter/report will complete and close the CSBG program operations review. If the DCAA does identify deficiencies requiring corrective action, a TAP, or a QIP, at a minimum, the review letter/report will:

- Inform the CAA of the deficiencies
- Require the CAA to correct the deficiencies
- Include a due date or timeline for the CAA to correct the deficiencies
- If appropriate or necessary, the DCAA will offer the CAA training and technical assistance to address the deficiencies, or require the CAA to address the deficiencies with other training and technical assistance

The DCAA will not require training and technical assistance to address the deficiencies if the CAA has the expertise and skills to correct the deficiencies and can correct the deficiencies in a reasonable amount of time.

Corrective Action:

CAAs with deficiencies, that the DCAA has determined do not require training and technical assistance to address, will be given at least sixty (60) calendar days to correct the deficiencies.

The CSBG program operations review will not be considered complete until the DCAA determines the CAA's corrective actions have been completed and the deficiencies identified in the review letter/report have been corrected. Once corrected, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter accepting the corrective actions and closing the CSBG program operations review.

CAAs that fail to meet the requirements in the review letter/report will be required to work with the DCAA on a technical assistance plan or be required to develop and implement a quality improvement plan.

Deficiencies corrected by the CAA, and determined by the DCAA to be corrected prior to the DCAA issuing the review letter/report, will be identified in the review letter/report as corrected deficiencies.

Technical Assistance Plan:

CAAs with deficiencies, that the DCAA has determined require training and technical assistance to correct, will be required to work with the DCAA on developing a technical assistance plan (TAP) to correct the deficiencies. The DCAA will adhere to the TAP requirements in the CSBG Act (Section 678C) and the federal guidance provided in OCS, CSBG Information Memorandum, Transmittal #116, when developing a TAP with a CAA.

The CSBG program operations review will not be considered complete until the DCAA determines the CAA has met the TAP requirements. Once the TAP requirements are

met, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter stating that the TAP requirements have been met and the CSBG program operations review is complete.

CAAs that fail to meet the TAP requirements will be required to work with the DCAA on another technical assistance plan or be required to develop and implement a quality improvement plan, and the DCAA may conduct a follow-up CSBG onsite review (see policy #1814).

Quality Improvement Plan:

CAAs with one or more significant deficiencies, as determined by the DCAA, will be required to develop and implement a quality improvement plan (QIP) to correct the deficiencies. The DCAA will adhere to the QIP requirements in the CSBG Act (Section 678C) and the federal guidance provided in OCS, CSBG Information Memorandum, Transmittal #116, when requiring a CAA to develop and implement a QIP.

Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls) includes the DCAA's process for reporting QIPs to OCS.

The CSBG program operations review will not be considered complete until the DCAA determines the CAA has met the QIP requirements. Once the QIP requirements are met, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter stating that the QIP requirements have been met and the CSBG program operations review is complete.

CAAs that fail to meet the QIP requirements will receive a follow-up CSBG onsite review (see policy #1814).

5. CSBG Organizational Standards Assessment Report:

No later than sixty (60) calendar days following the CSBG onsite review exit meeting, the DCAA will complete and send the CAA Executive Director and CAA Board President/Chair an assessment letter/report and a copy of the completed CSBG Organizational Standards Assessment instrument. If the DCAA does not identify any unmet standards, the assessment letter/report will complete and close the CSBG organizational standards assessment. If the DCAA does identify unmet standards, at a minimum, the assessment letter/report will:

- Inform the CAA of the unmet standards
- Require the CAA to correct the unmet standards
- Include a due date or timeline for the CAA to correct the unmet standards
- If appropriate or necessary, the DCAA will offer the CAA training and technical assistance to address the unmet standards, or require the CAA to address the unmet standards with other training and technical assistance

The DCAA will not require training and technical assistance to address the unmet standards if the CAA has the expertise and skills to correct the unmet standards and can correct the unmet standards in a reasonable amount of time.

Corrective Action:

CAAs with unmet standards, that the DCAA has determined do not require training and technical assistance to address, will be given at least sixty (60) calendar days to correct the unmet standards.

The CSBG organizational standards assessment will not be considered complete until the DCAA determines the CAA's corrective actions have been completed and the unmet standards identified in the assessment letter/report have been corrected. Once corrected, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter accepting the corrective actions and closing the CSBG organizational standards assessment.

CAAs that fail to meet the requirements in the assessment letter/report will be required to work with the DCAA on a technical assistance plan or be required to develop and implement a quality improvement plan.

Unmet standards corrected by the CAA, and determined by the DCAA to be corrected prior to the DCAA issuing the assessment letter/report, will be identified in the assessment letter/report as corrected standards.

Technical Assistance Plan:

CAAs with unmet standards (that the DCAA has determined require training and technical assistance to address) will be required to work with the DCAA on developing a technical assistance plan (TAP) to correct the unmet standards. The DCAA will adhere to the TAP requirements in the CSBG Act (Section 678C) and the federal guidance provided in OCS, CSBG Information Memorandum, Transmittal #116, when developing a TAP with a CAA.

The CSBG organizational standards assessment will not be considered complete until the DCAA determines the CAA has met the TAP requirements. Once the TAP requirements are met, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter stating that the TAP requirements have been met and the CSBG organizational standards assessment is complete.

CAAs that fail to meet the TAP requirements will be required to work with the DCAA on another technical assistance plan or be required to develop and implement a quality improvement plan, and the DCAA may conduct a follow-up CSBG onsite review (see policy #1814).

Quality Improvement Plan:

CAAs with multiple unmet standards, that the DCAA determines reflect organizational challenges and risk, will be required to develop and implement a quality improvement plan (QIP) to correct the unmet standards. The DCAA will adhere to the QIP requirements in the CSBG Act (Section 678C) and the federal guidance provided in OCS, CSBG Information Memorandum, Transmittal #116, when requiring a CAA to develop and implement a QIP.

Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls) includes the DCAA's process for reporting QIPs to OCS.

The CSBG organizational standards assessment will not be considered complete until the DCAA determines the CAA has met the QIP requirements. Once the QIP requirements are met, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter stating that the QIP requirements have been met and the CSBG organizational standards assessment is complete.

CAAs that fail to meet the QIP requirements will receive a follow-up CSBG onsite assessment (see policy #1814).

1810 CSBG ORGANIZATIONAL STANDARDS AGENCY SELF-ASSESSMENT INSTRUMENT

CAAs that are not scheduled to receive a CSBG onsite review during the CSBG program year are required to complete and submit a CSBG organizational standards agency self-assessment report. CAAs must use the DCAA's CSBG Organizational Standards Agency Self-Assessment instrument to assess their CAA against the 58 CSBG organizational standards. The DCAA will provide the instrument, instructions, and guidance for completing and submitting a self-assessment report.

Iowa's CAAs are required to meet the 58 CSBG organizational standards for private, nonprofit CSBG eligible entities (CSBG Contract, Special Terms and Conditions, Article 28.11). The 58 CSBG organizational standards are listed in policy #2301.

1811 CSBG ORGANIZATIONAL STANDARDS AGENCY SELF-ASSESSMENT

CAAs that are not scheduled to receive a CSBG onsite review during the CSBG program year are required to complete and submit the CSBG Organizational Standards Agency Self-Assessment instrument. The DCAA will provide the self-assessment instrument, instructions, and guidance to those CAAs (see policy #1810). The DCAA will review and validate, through a desk-review process, each CAA self-assessment.

CAA CSBG Organizational Standards Agency Self-Assessment Due Date:

CSBG organizational standards agency self-assessments are due on or before the last day of the CSBG program year.

CSBG Organizational Standards Agency Self-Assessment Report:

No later than sixty (60) calendar days following the receipt of a CAA's CSBG organizational standards agency self-assessment, the DCAA will complete and send the CAA Executive Director an assessment letter/report. If the DCAA does not identify any issues with the self-assessment, the assessment letter/report will complete and close the self-assessment process. If the DCAA does identify issues with the self-assessment, at a minimum, the assessment letter/report will:

- Inform the CAA of the issues
- Require the CAA to correct the issues
- Include a due date or timeline for the CAA to correct the issues
- If appropriate or necessary, the DCAA will offer the CAA training and technical assistance to address the issues, or require the CAA to address the issues with other training and technical assistance

The DCAA will not require training and technical assistance to address the issues if the CAA has the expertise and skills to correct the issues and can correct the issues in a reasonable amount of time.

Corrective Action:

CAAs with self-assessment issues, that the DCAA has determined do not require training and technical assistance to address, will be given at least sixty (60) calendar days to correct the issues.

The self-assessment will not be considered complete until the DCAA determines the CAA's corrective actions have been completed and the issues identified in the assessment letter/report have been corrected. Once corrected, the DCAA will complete and send the CAA Executive Director a letter accepting the corrective actions and closing the self-assessment.

CAAs that fail to meet the requirements in the assessment letter/report will be required to work with the DCAA on a technical assistance plan or be required to develop and implement a quality improvement plan.

Technical Assistance Plan:

CAAs with self-assessment issues, that the DCAA has determined require training and technical assistance to address, will be required to work with the DCAA on developing a technical assistance plan (TAP) to correct the issues. The DCAA will adhere to the TAP requirements in the CSBG Act (Section 678C) and the federal guidance provided in OCS, CSBG Information Memorandum, Transmittal #116, when developing a TAP with a CAA.

The self-assessment will not be considered complete until the DCAA determines the CAA has met the TAP requirements. Once the TAP requirements are met, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter stating that the TAP requirements have been met and the self-assessment is complete.

CAAs that fail to meet the TAP requirements will be required to work with the DCAA on another technical assistance plan or be required to develop and implement a quality improvement plan, and the DCAA may conduct a follow-up CSBG onsite review (see policy #1814).

Quality Improvement Plan:

CAAs with significant self-assessment issues, that the DCAA determines reflect organizational challenges and risk, will be required to develop and implement a quality improvement plan (QIP) to correct the issues. The DCAA will adhere to the QIP requirements in the CSBG Act (Section 678C) and the federal guidance provided in OCS, CSBG Information Memorandum, Transmittal #116, when requiring a CAA to develop and implement a QIP.

Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls) includes the DCAA's process for reporting QIPs to OCS.

The self-assessment will not be considered complete until the DCAA determines the CAA has met the QIP requirements. Once the QIP requirements are met, the DCAA will complete and send the CAA Executive Director and the CAA Board President/Chair a letter stating that the QIP requirements have been met and the self-assessment is complete.

CAAs that fail to meet the QIP requirements will receive a follow-up CSBG onsite review (see policy #1814).

1812 GOVERNING BOARD MEETING OBSERVATIONS AND REVIEWS

The DCAA may conduct CAA governing board meeting observations and reviews. The DCAA will contact the CAA Executive Director to schedule a board meeting observation.

The DCAA will complete the Board Meeting Observation Assessment form after conducting the board meeting observation.

1813 NEW ENTITIES (CSBG ONSITE REVIEWS)

The DCAA will conduct a CSBG onsite review for each newly designated entity within 180 calendar days after the completion of the first year in which such entity receives funds through Iowa's CSBG program. The CSBG onsite review will include a CSBG program operations review, a CSBG organizational standards assessment, a CSBG fiscal monitoring review, and at least one governing board meeting observation and review.

1814 FOLLOW-UP CSBG ONSITE REVIEWS

The DCAA will conduct follow-up CSBG onsite reviews, including prompt visits to CAAs that fail to meet the performance goals, administrative standards, service delivery requirements, financial management requirements, or other requirements established by the State of Iowa and the DCAA. The follow-up CSBG onsite reviews may include CSBG program operations reviews, CSBG organizational standards assessments, CSBG fiscal monitoring reviews, and/or at least one governing board observation and review.

If the DCAA decides to conduct a follow-up CSBG onsite review, the CAA will be notified of the follow-up CSBG onsite review at least seven (7) calendar days prior to the onsite review.

1815 ADDITIONAL ONSITE REVIEWS

The DCAA will conduct an appropriate CSBG onsite review for CAAs that have federal, state, or local grants that were terminated for cause (CSBG Act, Section 678B(4)). The onsite review will be conducted within 180 calendar days of the DCAA being notified of the grant termination. The CSBG Contract (Special Terms and Conditions, Article 28.13) includes the CAA's requirements for notifying the DCAA when a grant is terminated for cause.

1816 DATA REVIEW AND VERIFICATION

See policy #2003.

1817 RISK ASSESSMENTS

See policy #2204.

1900 FISCAL MONITORING

1901 CSBG FISCAL MONITORING REVIEWS

Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls (Fiscal Controls and Audits and Cooperation Assurance)) addresses CSBG fiscal monitoring reviews.

The IDHR, Central Administration is responsible for conducting annual CSBG fiscal monitoring reviews. The IDHR, Central Administration's fiscal staff review the CAA's financial management and operations to assure the CAA is in compliance with federal and state regulations and DCAA fiscal requirements. During the CSBG fiscal monitoring reviews, the fiscal staff will provide technical assistance as necessary. The IDHR, Central Administration is responsible for developing and administering the CSBG fiscal monitoring review procedures.

For each CSBG fiscal monitoring review, the IDHR, Central Administration will inform the DCAA of any findings or deficiencies. For CSBG specific findings or deficiencies, the DCAA will work with the IDHR, Central Administration in administering any corrective action requirements.

1902 AUDITS

The CSBG Contract (Special Terms and Conditions, Article 20.0) provides CAA annual audit requirements, and Iowa's CSBG State Plan and Application (Section 10: Monitoring, Corrective Action, and Fiscal Controls (Fiscal Controls and Audits and Cooperation Assurance)) includes the IDHR, Central Administration's CAA annual audit review procedures.

See policies #1713, #1714, and #1715 for additional information regarding CAA annual audits.

1903 RISK ASSESSMENTS

See policy #2204.
