The Brigance is to be completed within 45 days of a child's enrollment. The Brigance scores need to be shared with the FDS as soon as they are completed within the 45 days. The FDS notes the results in the child's file on ChildPlus. Please use this sheet to share the scores with the FDS. **\*If a child starts later in the school year, you should let the FDS know what the score is during your weekly Team Meetings.**
